**IMPORTANT MESSAGE TO PATIENTS FROM YOUR NEUROLOGISTS**

We understand that it may be frustrating for you to be asked for certain germane information on each visit by our staff, but we need you to know that it is necessary.

We have a new computer system which commands certain data be completed.

Your insurance payers put demands on physicians and one of them is to collect your insurance information on every visit including a copy of your card so that we have the most correct and current information to file your claim for you. This is a must in our new system as well.

As your neurologists, we must have you complete a medical form at every visit to ensure that we have the most current medical information in order to provide the highest quality care to you.

Therefore, we ask for your understanding and cooperation with information that we must collect at the time of visit so that your visit goes smoothly and is done in the most timely fashion.

As always, we truly value our patients, appreciate your help and patience, and apologize for any inconvenience that may cause.

Yours truly,  
ASSOCIATED NEUROLOGISTS OF SOUTHERN CONNECTICUT
